

- DEDICATION -

I, Donald Koller, Captain of the Ramblers of 1951-52, do hereby dedicate this year book to "Mammy", our Mother and the Queen of all victories. All our meetings this year will begin and end with a salute and invocation to her.

Therefore, Mammy, in the name of the Ramblers, I dedicate this book and this sports year to you, whether we win, lose, or tie.

This book is also dedicated to the memory of all past Ramblers, all present Ramblers, and all those who will have the good fortune to be Ramblers in the future.

'51 RAMBLERS '52

I hope that all "Rambler" of future ages will appreciate all the work I think I'm going to have to do to keep up this year book. It looks like a big job ahead to write down anything of interest about such an interesting bunch of guys. Seeing that I'm already writing for the benefit of the Ramblers, I won't mind exerting my writing hand for a few minutes every day, just so we end up on top when the smoke clears up.

This year promises to be very interesting: mainly because we are said to be the strongest (har!). I only hope that the fatal jinx that falls on every team that is predicted to come out on top, does not fall on us. We have the men, except peanuts so far, and we have the material. All we need is an even amount of breaks.

We have fifty one men now before any picking has been done. We are fortunate enough to be complete in both Seniors and Juniors. Since we get only sixteen picks, I'd say we're damn lucky we don't need men in the upper divisions. Here's hoping we get a good "peanut" team and

a few reliable Truckmen.

Today, September 23, 1951, sixteen new men were added to the Rambler hall of fame! From the way myself, that is I, and the other "scouts" had things looked over, we can't go wrong on what we picked. Time will tell. Here are the Rambler of 1951-52-
