

St Joseph's & St Patrick's College Alumni NEWSLETTER

VOLUME IV NO. 2

NOVEMBER 1985

WELCOME TO FR. COLEMAN

Rev. Gerald D. Coleman, S.S., assumed the presidency of St. Joseph's College on July 1, 1985. This is not his first-time residency at St. Joseph's. As a student he lived in the College for six years, and in 1968 after his ordination for the Archdiocese of San Francisco, he was assigned to the faculty of St. Joseph's College.

In 1972 Fr. Coleman went to Toronto, Canada to pursue a doctorate in Theology at the University of St. Michael. His doctoral work was completed in 1974, and on his return to the bay area, he was assigned to St. Patrick's Seminary in Menlo Park as a full professor of Moral and Pastoral Theology. While at Menlo, he was Chairman of the Department of Moral Theology and held the office of Vice-Rector.

Fr. Coleman is recognized as a noted lecturer, retreat leader,

consultant, and author. He writes a monthly column for the Valley Catholic, and a weekly column for the Southern Cross. He has written numerous articles which have been published in many Catholic periodicals. In 1982 Fr. Coleman was elected Provincial Consultor to the American Society of St. Sulpice.

Fr. Coleman is a native of San Francisco where his parents still

reside. His father, Gerald P. Coleman, is a member of the Rhet Class of '32, and attended the recent Alumni Day with his wife, Mel. After he completed grammar school at St. Gabriel's Fr. Coleman entered St. Joseph's Seminary. He completed preparation for priesthood at St. Patrick's Seminary in Menlo Park.

Fr. Coleman returns to St. Joseph's with a distinguished background which will assist him in continuing the development of the multicultural program which has allowed the College to be one of the few seminaries in the United States to increase its enrollment in the last five years.

The Alumni Association extends a warm welcome to Fr. Coleman, and offers their fullest cooperation in helping him achieve the goals he has set for St. Joseph's.

FROM THE RECTORFR. GERALD D. COLEMAN, S.S.ST. JOSEPH'S COLLEGE:BEGINNING ITS 61ST YEAR

To be named the President - Rector of a seminary is always a great honor, as well as a tremendous responsibility. When such an appointment brings one back to one's Alma Mater, the responsibilities and honor seem all the greater. Naturally, I am tremendously attached to this College where I spent six years of my own preparation for priestly ministry, a time in my life when so many important decisions were made.

During the High School and early College years, many internal experiences were occurring for so many of us, thus making these years of great importance in our life, growth, and maturity.

After ordination, I returned to St. Joseph's College to teach Theology for four years. A great deal of my life has thus been spent in this institution and I thus have a great affection and care, not only about its past, but about its future. As the College begins its 61st year, my sensitivities are especially heightened to the long tradition which this College sustains and the needs that it now sustains in order to continue as a strong formation center for priestly ministry.

I suppose that the greatest change in the College from my own days here, both as student and faculty member, is the important ethnic experience that now marks the College community. We began the present school year with 117 students, 50 of them were born in countries other than the United States. This variety of cultures and history brings to the College a tremendous sense of diversity and cultural differences. Through the tremendous efforts of my predecessor and the faculties and students that have gone before us, this College community, diverse as it is, surfaces a tremendous energy, creativity, and spontaneity. Prob-

Probably, the most significant aspect of the College community that one catches immediately is its vitality, youthfulness, and energy.

Statistical data concerning the College is also very important in appraising well its history and vitality. In 1968-69, the College community numbered 190 students. Through the next decade, this number gradually declined to the point where the student body in 1979-80 numbered only 45. Through the tremendous efforts of Fr. Gerald L. Brown and other faculty members, the student body has gradually increased during the last decade. This increase demonstrates not only the vital energy present within the community itself, but likewise the obvious support that the College enjoys from various dioceses.

The College building had its origin in 1924, with the new building completed in 1955. While a great amount of obvious attention has been expended in increasing the student body, equal attention has not been able to be afforded to the buildings themselves. Accordingly, the College is in the process of mounting an important fund-raising endeavor. Certain things within and outside the buildings need critical attention: for example, the kitchen and dining room areas have not been substantially touched since 1924. Another important area is the need for athletic facilities for soccer and softball. With the annexation of the lower campus by the County of Santa Clara in 1981, the College lost its use of all of those properties. We thus are in critical need for outdoor athletic facilities.

These two examples are only demonstrations of the types of concerns that the College now sustains and must address in its immediate future. We have thus established a Development Committee in order to address these issues and to guide the College's fund-raising concerns. We will naturally be relying upon our Alumni to be as generous with the College as possible, so that we, in fact, can continue the great and important work that the College has provided for in
continued on page 3.

ALUMNI NEWS

its distinguished past.

The College community is one that is both warm and inviting, and I know that I speak in the name of the entire faculty, student body, and staff when I extend to any of our Alumni a gracious welcome to be present with us at any time that you desire. Simply feel very comfortable in giving me a call and know that you are always welcome here.

Finally, I certainly want to extend the congratulations of St. Joseph's College to Fr. Gerald L. Brown, S.S., as he takes on the important responsibilities and duties as Provincial of the United States' Sulpicians. To succeed such a man as Fr. Brown is no easy task, as so much of the enthusiasm and creativity that now marks the College community is an outgrowth of his own warm and gracious personality. It is clear to me that his presence here is sorely missed, and we extend to him our very best wishes and full support for the very significant work he is doing for priestly formation in the United States.

As we continue as a center for formation and learning for priestly ministry, I would ask you to please keep us in your prayers and your own support. The need for vocations is certainly a dire one, and the Alumni of any institution is of critical importance in supporting vocations. I would thus ask all of our Alumni to keep the College in mind and to encourage young men of college age to think seriously and deeply about a priestly vocation. We probably cannot do anything more important for the future of the Church as to continue to encourage qualified young men to discern a call to the priesthood.

I am confident that as the College begins a new decade in its distinguished history, it will continue to flourish and to expand even more widely the many good works that it has already accomplished.

ALUMNI PRESIDENT'S CORNER

Walt Harrington

A warm, late summer evening added much to the warmth and friendship of the 4th ALUMNI DAY of recent years. After Mass, 500 Alumni, students, and guests gathered in the courtyard for cocktails and dinner. Special thanks to Chairman, Jim Hansen, his assistant, Jim Gonzalez, Fr. Steve Barrett, Ginny Sullivan, the students, and all those who donated various prizes and services for making this ALUMNI DAY one of the best.

Please circle September 19, 1986, on your calendar for next year's event. Tentatively planned for this weekend, ALUMNI DAY will recall the "campus barbecues" of the past. Laity, students, and clergy can share their reminiscences, dreams, and bond of love for the "college." Ubi est caritas ibi Deus.

Don Carroll, our first president of the new alumni association, deserves tremendous credit for the dedication, work, and success with which, for over four years, he has enriched St. Joseph's College. Thanks so much, Don.

St. Joseph's, as in the first 60 years, continues to be that special heart and home for 117 students. Like the "one and the many," the prayers in so many different languages at the Alumni Mass highlighted the diversity of the student body. Different needs also exist. Recently I presented an Alumni check for \$1,000 to the Student Body. You can help the President, Fr. Coleman, by contacting him (415-967-9501) or sending a check for the Rector's Discretionary Fund.

A partial printout of the Class of '51 is attached. Maybe you would like one of your class. Write or call Mrs. Virginia Sullivan in the Alumni Office. Recently Ginny was kind enough to send out word of the death of Jerry Regan, a classmate. The lists are a way for all of us

to "keep in touch."

With the holiday season approaching, I would like to wish you all a very Happy Christmas and a New Year filled with peace, love and good health!

RECENT VISITORS AT THE COLLEGE

Father James Parke, former high school assistant principal, dropped by the Alumni Office in September. He was returning from a meeting in Australia and spent a few days visiting old friends in the area. He is pastor of Our Lady of Perpetual Help Church in Salem, Virginia. He comes to the bay area almost every summer to preside at a wedding for one of the high school alums.

Gordon Lacey, former P.E. Director at the High School and College, visited during the summer. He is living in Bellevue, Wash. and has his own business. Gordon wants all of his former soccer players to know he ran 26 miles, 865 yards in two hours and fifty-five minutes in the Seattle Marathon. He finished 99 out of 1,800!

Michael Lucero, Rhet '53, was on a vacation trip with his wife and two children. He decided to show them his alma mater, and enjoyed reminiscing with Fr. Forster who was one of his former teachers. Michael lives in Orchard Park, N.Y., and does counseling at the Wyoming Correctional System.

REV. LYMAN A. FENN, S.S. SUCCUMBS

Rev. Lyman A. Fenn, S.S., R'21, a priest of the Society of St. Sulpice died on July 20, 1985, in the French Hospital in San Francisco at the age of 84.

Fr. Fenn served as a professor and administrator at St. Joseph's College, St. Patrick's Seminary, and in other Sulpician seminaries in the United States. For the past two years Fr. Fenn resided at St. Anne's Home in San Francisco. He is survived by two sisters and other bay area relatives.

Fr. Fenn was one of many Sulpicians influential in preparing many young men for priesthood.

ALUMNI DAY 1985

Once again St. Joseph's College played host to many alumni on Friday, September 20, 1985. Mass was celebrated in the College Chapel with Most Rev. Pierre DuMaine serving as principal celebrant with many bishops and priests concelebrating. Rev. Jerrold Kennedy, a member of the Rhet Class of '60 delivered the homily.

Many alumni and guests enjoyed a social hour and dinner in the courtyard. Multi-colored balloons and streamers decorated the area for the festive occasion. Candles flickered on the tables reflecting happy faces, toasts were made to the classes being honored, a gourmet buffet satisfied everyone's tastebuds, and a seminarian mariachi group strolled among the tables serenading the diners.

The Rhet classes of '35 and '60 were the honorees this year. A representative group from the class of '35 celebrating 50 years included: Fr. Donald Denman, Canby, Oregon, his brother, Ralph from Los Gatos, Thomas Higgins, Paradise, CA, Frs. Tom Regan, Tom Kennedy, George Monaghan, Thomas Riley, Daniel Lynch and Mr. Casimir Norton. The class of '60 celebrating 25 years had a large turnout. Fr. John Hinsvark came from Alaska and Dr. Laurence Jacobs arrived from Texas.

Voices rang out at the auction with bids for wanted items - the "Dinner with the Bishop" brought the highest bid of the evening. John Rogers once again was the high bidder for 100 lbs. of garlic. His wife was perplexed - two years in a row she was going home with garlic! Merlin Porter won the T.V., Fr. Jim O'Hare won the \$100 cash, and Fr. Jim Tucker, a member of the College faculty won the G.E. radio. Other prizes were given to lucky ticket holders.

Fr. John Osuna directed the "Chapel Hits of the 50's" with Fr. John Olivier accompanying on the piano. Tony Yazzolina of Seattle entertained with a few renditions on his accordion.

Donald Carroll, Alumni president, presented Fr. Gerald Coleman with a check for \$5,000 from the Alumni Association.

Once again, the alums checked the pictures in the halls (they have been rearranged for easier viewing) meeting classmates, and quite a few enjoying their "first time back" with promises to meet again next year, different date but same place!

NUMBER PLEASE!

Although numbers are a human invention and are without any physical existence, they are quite important in the alumni computer files. Just as numbers identify us in many aspects of life, the Alumni Office uses them to identify each alumnus. Shown below are examples listed in the order in which they appear in the files.

NUMERICAL LISTING BY CLASS: 001

Numbers record many events in our lives, from birth until we depart this world. Your alumni number will live on as long as St. Joseph's continues to operate. However, there will come a time when we will not have to worry about such trivia as a number. As far as we know, there won't be any first or second in heaven, and Satan undoubtedly gave up counting eons ago! Now, may we have your number please!

TREASURER APPOINTED FOR ST. JOSEPH'S

The Board of Directors of St. Joseph's College recently approved the recommendation of Bishop DuMaine that Sr. Grayce Ross, S.N.J.M., become the Treasurer of the College.

Born and raised in Alameda, Sr. Grayce entered Holy Names Order in 1963. After completing her M.B.A. in 1975, she held various positions at Holy Name College: accountant, design and implementation manager, and held part-time faculty status in Business Administration and Economics. Before coming to St. Joseph's College she managed Villa Holy Names, Los Gatos.

PAPAL VISITATION STUDY AT ST. JOSEPH'S

St. Joseph's College underwent a Papal Visitation Study during the week of October 21-25, 1985. Most Rev. Ignatius J. Strecker, Archbishop of Kansas City, was chairman of the team which included Most Rev. Thomas J. Welsh, Bishop of Allentown, PA; Rev. Felipe Estevez, Rector of the Seminary of St. Vincent de Paul, Boynton Beach, FL; Rev. Ronald Gariboldi, Director of Field Education, St. John Seminary, Boston, MA; and Rev. Frank J. Houdek, S.J., Jesuit School of Theology at Berkeley.

The team did a thorough study of the College, interviewing faculty, students, and staff. Results of the visitation will be made available after comments and recommendations are compiled into a formal written report.

STELLA MATUTINA

Since Adam's sun and Eve's fair moon had set
Upon the gracious glades of Paradise,
No distant gleam of day had lit the eyes
Of man, no semblance of a ray as yet
Had sifted as a promise through the jet
Of sullen night; nor could a soul surmise
From chill and faltering portents of the skies
If Yahweh had forgotten, could forget.
At intervals there strained upon the ear
Prophetic voices heralding the light
To lull expectant hearts with harmonies.
But even still the Sun did not appear
Until a star arose alone and bright
Beyond a dismal trinity of trees.

Dear Don and the Members of the Alumni Board:

I cannot possibly express to all of you my own gratitude as well as the thanks of the entire college community for the gracious and generous gift to the college of five-thousand dollars.

As you might be aware, the college has embarked on a necessary fund-raising campaign, and thus this five-thousand dollars is an initial boost to the monies that we must collect in order to accomplish very important renovations throughout the college buildings.

I have truly been overwhelmed by the incredible support and encouragement that you have constantly demonstrated toward the students and the community of St. Joseph's. Please know that you all sustain a very special place in our heart and in our prayers and we hope always that you hold St. Joseph's as an important place in your own history and in your own memories. Our doors are always open to you and to your families.

Warmest personal regards.

Sincerely yours,

Donald D. Coleman, S.J.

ALUMNI DAY - 1986

The Board of Governors of the Alumni Association will meet in early December to discuss Alumni Day - 1986. If you have any suggestions for the next gathering, please send them to the Alumni Office and they will be considered at the Board Meeting.

September 19, 1986 has already been chosen for Alumni Day. The association would like input regarding the raffle, entertainment, and the auction.

Let us hear from you!

ALUMNI MAILING LIST

There are approximately 2,500 current addresses in our file. However, the alumni office would like to add to the list, and alumni can help by asking fellow alums they meet if they are receiving mailings. If not, get their address and send it to us. Thanks to all of you who have been doing this. It has been a great help.

Dear Mr. Harrington:

On behalf of the Student Body of St. Joseph's College, we are writing to thank the alumni for their generous gift of \$1,000. We are grateful for this support.

The continuing bond between alumni and students strengthens our common vision of preserving the rich traditions of the College

We ask for your prayers, and assure you that you remain in ours.

Sincerely in Christ,

Matthew D. Stanley Luan Van Nguyen
