 Robert DeMatteis, C'72, succumbed to cancer in November 1993. He attended Alumni Day in September.
 Barbara McQuaid, wife of J. Dennis McQuaid, R'59

ALUMNI NEWS

R'40, CHARLES SWEENEY and his wife recently spent 24 days cruising the waters of British Columbia and Alaska. On the final day as they were leaving the ship at 6:00 a.m. from the top deck for a quick ride to the Juneau Airport, a man pushed ahead of them to get off as quickly as possible. 30 seconds later he had a severely broken leg. Charlie and his wife heard the crack of metal, and a cry went out MAN OVERBOARD. Charlie pushed Catherine aside and the disaster crew ran to their stations. One woman was in the water being held afloat by a crewman. A search was made for bodies but none were found. At a meeting later in the lounge everyone was accounted for but the woman who fell into the water had died. She had cracked her head on the side of the ship and pier. Their ship had been moved during the night and the gangway was not fixed to the starboard deck. Charlie missed a broken leg to politely allow the man in a hurry to get ahead of him!
 REV. CYRIL LEACH, R'41
 retired as of July 1, 1994. He will remain in residence at St. Sebastian's Parish in Kentfield.
 R'44 Rev. Edward J. Quinn, M.M., was

enrolled in the Vatican II Institute at St. Patrick's Seminary last Spring. He is currently stationed in Tanzania, Africa, but previously spent 37 years in Taiwan. He talked about the primitive life he lives - no running water, bucket showers, no T.V., a mile to the nearest phone. But, he was looking forward to returning to Tanzania although he enjoyed his brief sojourn in Menlo Park.

R'51, JOHN O'SULLIVAN, retired from Federal employment in 1984. He was with the Air National Guard as a civilian employee. He is married, has three children and five grandchildren. He lives in Turlock, and enjoys the Alumni Newsletter.

CLINTON REILLY, R'66 has been running Kathleen Brown's gubernatorial campaign, and quoting Matier & Ross "it is not out of the realm of possibility" that he may become involved in the next presidential campaign.

BENTO LEAL, R'67, is married and has three children. He is employed as a salesman for Champion Carpet and Wood Service in San Leandro.

DAVID TERRA, H'69, lives in Rancho Cordova. He has a degree in Chemistry and completed his BS in Electronic Engineering.

BETTY SMITH, former nurse at St. Joseph's College died in her sleep in October, 1993.

She lived with her son, who said she had a peaceful death. She was beloved by many seminarians during the years she cared for students and faculty at St. Joseph's.

'63, GERALD MARING visited the Alumni office in July. His wife and children were in Europe and he was visiting the Bay Area. He had never been to St. Patrick's so he toured the seminary. took pictures and ended up joining Ginny Sullivan and Fr. John Mattingly for lunch in the seminary cafeteria.

C'70 MICHAEL CRILLY was recently appointed Superintendent of schools for the Jefferson Union High School District.

C'71 JOSEPH LOCKARY lives in San Francisco with his wife. He is a general contractor in San Francisco and is currently expanding his business to the mid-peninsula.

C'71, JOHN AHLBACH, executive director of the National Stuttering Project, was mentioned in a recent "Herb Caen" column. Members of the

San Francisco chapter of the National Stuttering Project were staffing the phones during KQED's August pledge drive. John remarked: "We feel safe in saying - paraphrasing Winston Churchill, who stuttered himself - that never in the history of public TV have so few taken so long to say so little to so many."

C'73, PAUL VON GOTTFRIED is working with PACSHOL, an organization which cares for developmentally disabled people. He is married and has a 20 month old daughter.

H'73, PHIL MURPHY is married to Maureen and lives in San Francisco. He is President of VSRI (Virtual Systems Research Institute). He visited the Alumni Office in August.

C'75 DEAN LOPEZ is married and has a five year old son. He is working at St. Agnes Parish in Concord coordinating Religious Education.

C'84 THOMAS JEWELL is married and has three children. He is currently teaching high school in Clearlake and living in Kelseyville.

SCOTT FITZGERALD, C'89, is at Belmont Abbey, Belmont, North Carolina. He is known as Brother Julian in the community.

ALUMNI PRESIDENT'S CORNER

Dear Members of the Alumni Association:

On October 1, 1994, at the annual Alumni Association Dinner, I will be turning over the reins of the Association to Fr. Dave McCarthy. Those of you who know Fr. Dave will instantly realize what terrific leadership our Alumni will have in the coming years.

As I reflect on the last two years as your president, I am comforted that I had the assistance of such a wonderful Board of Governors. With their enthusiastic

response, we have conducted an annual Board Retreat in the course of which we examined the purpose of our Association, identified and implemented the steps that were necessary to fund our activities and issued a re-statement of the Alumni Association's purpose: committing our alumni to renewed support of priestly formation in Northern California.

One of the results of our retreat was to institute, for the first time, a dues structure which has been successful in getting our financial house in order and also providing additional funds to assist seminarians in need through a scholarship program.

We have made important strides in what we believe is the right direction. Much more needs to be done. The re-establishment of the College is, at this point, a somewhat distant dream. The re-establishing of a commitment to priestly formation through houses of formation would appear to us to be a more reachable goal in the near future.

To that end, I ask each of you to renew your own commitments to fostering priestly vocations. I ask you to renew your commitment to the College by supporting our Association at whatever level you can afford. Through our joint efforts, we can take the category of "Alumnus of St. Joseph's - St. Patrick's College" off of the endangered species list.

I look forward to seeing you on October 1, to personally thank you for your support and to publicly thank Ginny Sullivan and the Board of Trustees for all their help during the last two years.

J. Dennis McQuaid,
Rhet Class of '59
President

* * * * *

THANK YOU DENNIS!

In the name of the Alumni Association, the Board of Governors would like to thank you for your dedicated leadership during your term as President of the Association.

Interest within the Association has grown and there is certainly a strong feeling to support vocations to the priesthood. The building of St. Joseph's has disappeared, but the spirit lives on.

During the past year, you didn't miss a meeting, fulfilled your duties as President, despite your personal worries about Barbara's illness.

In the name of the Alumni, we want to express our sympathy to you and your three children in the loss of a dear wife and loving mother, whom you will remember for her love of life, love of God and all that is beautiful in this world.

SCHEDULE FOR ALUMNI DAY, OCTOBER 1, 1994

DATE: SATURDAY, OCTOBER 1, 1994
