

### HOME PAGE Introduction

Our Alumni Board meets quarterly and our spring meeting usually occurs in March. We have noticed that something very unusual happens if *per chance* we select a date near, or on, St. Patrick's Day. The best way, maybe the only way, to describe this apparition is to reveal it with a single photograph. (Click here)

### **Introducing our Alumni Board's Leprechaun Bob Gorman, R'1952**

Bob has served our board for many, many years; he has a sparkling wit and he keeps the ball rolling. Bob was Alumni Board president from 12/2/2004 through 12/4/2008. He wrote this motto for our board and it helps keep us on track during our discussions.

**"We honor the past,  
we celebrate the present,  
we plan for the future, .....together!!!"**

Bob discovers a very old sign; and he surprises us at our board meeting on 5/19/2016.

Bob is a good reason why I bring my camera to our board meetings)
